PERSONAL PROFILE

I am a motivated and detail-oriented Web Developer with hands-on experience building responsive, user-focused, and high-performance web applications using React.js, Next.js, and Django. I have experience collaborating with cross-functional teams, improving website performance, and delivering features aligned with modern development standards. I am currently studying MSc Computer Science with Industrial Placement at the University of East London and seeking a placement opportunity to apply my skills, contribute to development projects, and enhance my professional growth within a dynamic organization.

TECHNICAL SKILLS

- Front-End: HTML, CSS, JavaScript, Bootstrap, Tailwind, React.js, Next.js
- Back-End: Django (Fundamental)
- Tools: VS Code, Git, GitHub, Postman
- Other Skills: Search Engine Optimization (SEO), Cross-browser debugging, Performance optimisation
- MS Office: Excel, PowerPoint, Word, Teams

KEY SKILLS & ACHIEVEMENTS

- Built responsive interfaces improving mobile usability and customer engagement
- Integrated front-end features with Django APIs to ensure stable data flow
- Delivered multiple professional client websites for SMEs
- Strong communication, problem-solving and teamwork abilities

EDUCATION

MSc Computer Science with Industrial Placement – University of East London

September 2025 – Present

Modules: Advanced Software Engineering, Artificial Intelligence, Big Data Analytics, Cloud Computing, Mental Wealth (Dissertation)

BSc Computer Science & Engineering – Northern University Bangladesh

January 2018 – December 2022

WORK EXPERIENCE

Bird's Nest Cloud – Front-End Developer

January 2024 – September 2025

- Built responsive UI in React.js & Next.js improving user experience across devices
- Integrated Django-based APIs with front-end features for stable data flow

- Improved website speed from 6s to 2s through optimisation (images, lazy loading, cleanup)
- Participated in debugging, testing, and code reviews to maintain development quality

Good Life Physiotherapy and Rehabilitation Center – SEO Executive

November 2022 – September 2023

- Managed social media platforms increasing online reach & engagement
- Designed digital content to improve appointment enquiries & patient interaction
- Monitored analytics and insights to optimise campaign performance

OTHER EXPERIENCE

Tesco – Service Colleague

November 2025 – Present

- Assisted customers with product queries, ensuring a positive in-store experience and friendly service
- Replenished stock, maintained aisle presentation, and ensured accurate pricing & labelling
- Worked flexible shifts to meet business demands and maintain smooth store operations

Northern University Computer Club – Event & Cultural Secretary

February 2021 – January 2022

- Led planning and organization of tech events, seminars, and cultural programmed for student engagement
- Coordinated with faculty, club members, and sponsors to manage logistics, schedules, and event resources

Bangladesh Red Crescent Society – Volunteer

March 2016 – April 2017

- Supported community awareness programs, relief distribution and event coordination
- Assisted in first-aid support and crowd management during local emergency response events
- Helped maintain records of beneficiaries and coordinated with senior volunteers for resource allocation

HOBBIES & INTERESTS

- Learning new technologies
- Personal development projects
- Problem solving
- Community volunteering
- Playing Drum & Singing
